

‘Tis Better to Give Than to Receive

Year-end is upon us and finding ways to say ‘thanks’ to our clients and partners can be challenging. Given traditional compliance requirements, now coupled with the effects of a global pandemic, many are scratching their heads on just how to show their gratitude. Fear not, a recent ThinkAdvisor article offers a top 10 list of holiday gift ideas, each under \$100.

Not sure what you can spend this year? With the BasisCode Compliance suite, compliance teams can easily establish firm limits and employees can easily pre-check activities to ensure they do not violate firm policies - before they use their corporate cards. Additionally, the BasisCode mobile app makes it easy to expense items on the go. Happy gifting!
